DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marshall Curtis on 11/22/05.

The application has been amended as follows:

Cancel claims 9-15.

Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art of record fails to teach all of the claimed limitations of claim 1 in combination with "performing additional selective epitaxial growth, effecting only the areas of said second transistor as said hard mask film covering said first transistor is resistant to said additional epitaxial procedure". More specifically, Doris et al ('303) teaches the majority of the elements of claim 1 and teaches that the hard mask be in place to cover both transistor gate regions 6 and 7 in order to allow for the formation of raised source and drain structures. Therefore Doris fails to teach fails to teach the *additional epitaxial growth* which effects only the areas of the second transistor as the hard mask covers the first and is therefore resistant as recited by claim 1.

Art Unit: 2813

Murthy et al ('568) however teaches an additional epitaxial growth step which effects only the areas of a second transistor as the hard mask covers the first and is therefore resistant. However, there is no suggestion to modify Doris to further include Murphy's step. Therefore such a combination would be considered hindsight. Consequently, claims 1-8 are deemed to be allowable over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
